

## MESSAGE IMRAN AMIN CEO-PCBDDA

This year, as we commemorate the 76th Independence Day of our beloved nation, CBD Punjab stands tall in its commitment to the ideals that have shaped Pakistan's history. Our celebrations resonate with the theme "Celebrating Azadi-e-Taraqqi-o-Kamaal," an ode to the enduring spirit of progress and excellence that courses through our veins. With each passing year, we reaffirm our dedication to shaping a prosperous future for Punjab, where limitless potential converges with the brilliance of innovation.

I am thrilled to share a captivating development that we are most proud of: the Grand Souq Lahore, an unprecedented endeavor that marks the launch of Pakistan's very first souq. This distinctive marketplace blends the essence of traditional and modern bazaars, offering a unique fusion of experiences

that will soon become an iconic destination.

In addition to these projects, we are introducing an entertainment hub within the CBD Quaid District, offering a diverse array of entertainment options, further enhancing the vibrancy of our community.

As we journey forward, I extend my heartfelt gratitude to each member of our CBD Punjab community for their unflagging support and dedication. Let us continue to embrace the spirit of progress, unity, and excellence as we shape the future together.

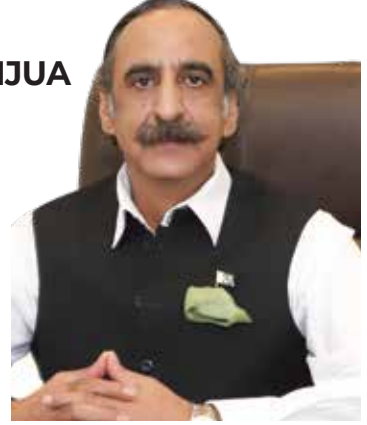

## MESSAGE BRIG (RETD.)

## MANSOOR AHMED JANJUA COO-PCBDDA

Our celebration of Pakistan's 76th Independence Day resonated with the theme of "Azadi-e-Taraqqi o Kamaal," symbolizing our commitment to shaping a brighter future. As we commemorate this milestone, we reinforce our dedication to progress and prosperity.

At CBD Punjab, we are proud of our new development ventures that will become noteworthy additions to Lahore's urban landscape. With introducing Pakistan's pioneer souq - The Grand Souq Lahore, along with Axis and hyper-retail mall being our top-notch retail projects, we are aiming to uplift the shopping experience in our community.

We are also collaborating with various property dealers to join us and become CBD Punjab's Registered Sales Agents. On World Environment Day, CBD Punjab restated its unwavering dedication to sustainability, echoing our commitment to

combat plastic pollution and nurture a greener future. This stance aligns seamlessly with our core values, underpinning our unwavering commitment to creating a healthier environment for future generations.

As we move forward, our legacy continues to evolve through dynamic endeavors. Together, we reshape urban landscapes and set new benchmarks for responsible development. I extend gratitude to our community for their unwavering support, which fuels our journey toward a more sustainable and prosperous future. Let us march united in our pursuit of excellence and innovation.

# CHIEF MINISTER PUNJAB MOHSIN RAZA NAQVI ASSESSES PROGRESS AT CBD PUNJAB PROJECT SITE

Chief Minister Punjab, Syed Mohsin Raza Naqvi, conducted a site visit to CBD Punjab to assess the progress of development work for CBD Punjab phases 2, 3, and the Main Boulevard linkage to Bab E Pakistan on Walton Road in Lahore. During this visit, the Chief Minister Punjab received a comprehensive briefing from CBD Punjab's CEO, Imran Amin, who highlighted the significant advancements made in the project. Executive Director Technical CBD Punjab, Riaz Hussain, Director Project Management CBD Punjab, Asif Iqbal and senior officials of CBD Punjab were present during the briefing.

Expressing his vision for timely project completion, Chief Minister Punjab emphasized the importance of providing maximum relief to the people. He directed the authorities to ensure that the newly constructed roads have sufficient width to accommodate the increasing traffic load, a crucial consideration for enhancing transportation efficiency.

CBD Punjab has embarked on the development of phases 2 and 3, in addition to establishing a linkage between the CBD Punjab Boulevard and Bab E Pakistan on Walton Road. Notably, CBD Punjab will construct flyovers at Ghora Chowk, Lahore, Walton Railway Crossing, and Bab-e-Pakistan, which will address key traffic congestion points. CBD Punjab has also recommended the construction of a roundabout at Kalma Chowk.

CEO CBD Punjab, Mr. Imran Amin, reiterated his commitment to delivering a state-of-the-art project. He emphasized CBD Punjab's dedication to providing high-quality infrastructure projects that will greatly benefit the people of Punjab.

The visit was attended by esteemed government officials, including the Chief Secretary Punjab, Secretary Planning, Commissioner Lahore/DG LDA, CCPO Lahore, CTO Lahore, Deputy Commissioner Lahore, and Chief Engineer LDA.

## TRANSFORMING THE URBAN LANDSCAPE; A STRATEGIC PARTNERSHIP BETWEEN CBD PUNJAB & LDA

In a historic milestone for urban development, the Punjab Central Business District Development Authority (PCBDDA) and the Lahore Development Authority (LDA) have joined hands through the signing of a Memorandum of Understanding (MOU) to embark on transformative projects for the city of Lahore.

The MOU signing ceremony was graced by the presence of Commissioner Lahore and DG LDA, Mohammad Ali Randhawa, alongside the CEO of CBD Punjab, Imran Amin. The agreement was officially sealed by Director Marketing CBD Punjab, Waseem Siddique, and Director Admin LDA, Rabia Riasat, who exchanged signed documents, solidifying their shared commitment to a productive partnership.

Commissioner Lahore emphasized the significance of this collaboration between CBD Punjab and LDA, declaring, "Collaboration between CBD Punjab and LDA heralds a new era of sustainable urban development. This strategic alliance will broaden the horizons of our projects and provide superior investment opportunities in our vibrant city."

CEO CBD Punjab, Imran Amin, echoed these sentiments, stating, "Our joint efforts will usher in a paradigm shift in urban planning. This partnership will act as a catalyst for growth and innovation, creating a dynamic environment for both local and international investors."

To fortify their collaborative endeavors, a series of forthcoming

events, including investor conferences, domestic and international roadshows, and expos, are on the horizon, underscoring their commitment to effective project marketing.

The MOU signing ceremony was graced by luminaries from various fields, including Additional DG Housing Captain (R) Shahmir Iqbal, Chief Engineer LDA Asrar Saeed, Director Finance Kashif Imran, Director Action Rabail Butt, and Deputy Director Legal CBD Punjab, Ahmed Usman.

The partnership between CBD Punjab and LDA signifies a significant leap forward in Lahore's urban development journey, promising a brighter and more prosperous future for the city and its residents.

## **CBD PUNJAB CELEBRATED WORLD ENVIRONMENT DAY WITH A PROMISE TO BEAT PLASTIC POLLUTION AND PROMOTE SUSTAINABILITY**

Central Business District Punjab (CBD Punjab), proudly joins the global community in celebrating World Environment Day with great enthusiasm. Our aim is to raise awareness and promote positive actions for environmental protection. This year's theme, "Beat Plastic Pollution," underscores the urgent need to address the detrimental impact of plastic on our environment. CBD Punjab has consistently advocated the cause of reducing plastic usage and promoting the adoption of eco-friendly alternatives.

Under the visionary leadership of CEO CBD Punjab, Imran Amin, the authority remains at the forefront of various environment-friendly initiatives, further solidifying its commitment to a greener future. By embracing modern urbanization on vertical principles, CBD Punjab is actively contributing to the economic development of Punjab while prioritizing sustainability.

Speaking on this occasion, CEO Imran Amin expressed the authority's unwavering dedication to environmental protection,

stating, "At CBD Punjab, we firmly believe that safeguarding the environment is not merely an option but a responsibility. We have to take collective action to combat plastic pollution and protect our planet for future generations. World Environment Day serves as a reminder to all individuals to protect and preserve our planet."

CBD Punjab takes immense pride in its ongoing efforts to enhance the green landscape of Punjab. With a strong focus on sustainable development, the authority has dedicated 40% of the land to open areas, including green spaces, surpassing the city's current sustainable open area standard of 15%. Moreover, CBD Punjab has allocated a substantial amount to the relevant government authorities for the plantation of the Miyawaki forest and new green spaces within the city. As part of modern infrastructure development practices, the authority has also introduced Pakistan's first Blue Road. These initiatives not only enhance the aesthetic appeal of the area but also contribute to cleaner air quality and a healthier ecosystem.

Promoting clean, green, and sustainable energy sources is a key aspect of CBD Punjab's environmental commitment. The authority actively advocates for the use of renewable energy and strives to increase the green cover throughout Punjab. By encouraging the adoption of solar panels and other environmentally-friendly technologies, CBD Punjab aims to reduce the carbon footprint and foster a sustainable lifestyle.

CBD Punjab extends its invitation to everyone to join hands in celebrating World Environment Day and play an active role in preserving our natural resources. By taking small yet significant steps in our daily lives, such as reducing plastic usage, conserving water, and planting trees, we can collectively make a lasting impact on our environment. Together, let's create a greener and more sustainable future for Punjab and beyond.

## **CBD PUNJAB UNVEILED THE LAHORE GLOBAL VILLAGE DURING A PRESTIGIOUS INVESTOR SUMMIT GRACED BY THE PRESENCE OF CM PUNJAB**

The Punjab Central Business District Development Authority (PCBDDA), in its pursuit of attracting potential buyers, recently organized an Investor Summit for the highly anticipated Lahore Global Village (LGV) project. The summit was graced by Chief Minister Punjab, Syed Mohsin Raza Naqvi, as the chief guest. PCBDDA has forged a significant partnership with the Lahore Development Authority (LDA) to bring forth the eagerly awaited Lahore Global Village (LGV) project, formerly known as LDA Walk & Shop Arena. CBD Punjab is entrusted with the marketing and sales of this remarkable venture.

The event saw the presence of distinguished officials, including Chief Secretary Punjab, Zahid Akhtar Zaman, Provincial Minister Information Punjab Amir Mir, IG Punjab Dr. Usman Anwar, Secretary Finance Mujahid Sherdil, Commissioner Lahore and DG LDA Muhammad Ali Randhawa, CEO CBD Punjab Imran Amin, COO CBD Punjab Brigadier (R) Mansoor Janjua, along with other key figures from CBD Punjab, LDA, government dignitaries, potential investors, and members of the business community.

LGV received an overwhelming response from the business community, with a significant number of retail outlets already booked. Female entrepreneurs also showed great enthusiasm and were at the forefront during the summit, reflecting the trust placed in CBD Punjab, LDA, and the Government of Punjab.

Addressing the summit, Chief Minister Punjab, Syed Mohsin Raza Naqvi, stated, "Lahore Global Village exemplifies our commitment to creating spaces that integrate cultural richness with modern leisure. This project not only adds to Lahore's charm but also boosts economic growth."

Chief Secretary Punjab, Zahid Akhtar Zaman, emphasized, "LGV adheres to international standards, with an unwavering commitment to uncompromising quality. It marks a new era in Lahore's development."

Commissioner Lahore and Director General LDA, Muhammad Ali Randhawa, stated, "LDA, in partnership with CBD Punjab, has embarked on a journey to redefine recreational infrastructure in Lahore. Lahore Global Village is a testament to our joint vision for an inclusive and engaging city."

CEO CBD Punjab, Imran Amin, added, "Our collective goal is to offer Lahore a space that harmonizes entertainment, culture, and commerce. Lahore Global Village's diverse retail spaces are set to become thriving hubs for entrepreneurs and businesses alike."

LGV is situated in Johar Town, Lahore, sprawling across an area of 130 kanals, offering a range of retail spaces from 620 sq ft to 6000 sq ft. The project promises an unparalleled experience of leisure activities with state-of-the-art architecture and world-class amenities. The Lahore Global Village distinguishes itself with its innovative design, featuring five distinct architectural pavilions representing Mughal, Chinese, American, Italian and Spanish styles.

LGV boasts a vibrant array of features to become Lahore's most eagerly awaited social hotspot, catering to a diverse range of interests. It includes an amphitheater, water channels, a toddlers' park, a music kiosk, graffiti wall, a mini train track, a climbing wall, and food outlets, all designed to create a space where families and friends can create memories and engage in a diverse range of activities in line with Lahore's vibrant community spirit.

Lahore Global Village (LGV) marks a new chapter in Lahore's recreational and commercial landscape. The partnership between CBD Punjab and LDA underscores a commitment to creating spaces that blend cultural diversity with modern leisure, fostering economic growth and nurturing a sense of community. Lahore Global Village stands as a testament to the power of collaboration and innovation in shaping the city's identity.

## **PREPARING FOR THE RAINY SEASON - IMRAN AMIN CEO CBD PUNJAB OVERSEES MONSOON PREPAREDNESS FOR KALMA UNDERPASS**

Imran Amin, the CEO of Central Business District Punjab (CBD Punjab), recently conducted a thorough inspection of the Kalma Underpass located on CBD Punjab Boulevard. The purpose of this inspection was to assess the readiness of the drainage and dewatering system during the ongoing Monsoon season, with a specific focus on ensuring efficient rainwater management and minimizing potential flooding risks in the area.

During this inspection, CEO Imran Amin reaffirmed CBD Punjab's unwavering commitment to supporting the Water and Sanitation Agency (WASA) master plan. As a demonstration of this commitment, CBD Punjab has pledged financial assistance to facilitate the upgradation of WASA's infrastructure within and around CBD Punjab.

As per the directives of Chief Minister Punjab Mohsin Naqvi, all departments have united their efforts during the Monsoon season as part of proactive measures. CBD Punjab has already taken significant steps by constructing additional dry and wet wells designed to handle rainwater from Firdous Market and Ali Zaib Road. Furthermore, two more dry and wet wells have been established in Saint Mary Park to effectively manage rainwater from the surrounding area. These enhancements are aimed at bolstering the existing drainage capacity of the Kalma Underpass along CBD Punjab Boulevard.

CEO Imran Amin highlighted that the current drainage system of Kalma Underpass is sufficient for its immediate needs. However,

CBD Punjab recognizes the need to accommodate the water flow from other areas like Liberty and Gaddafi Stadium. To address this, CBD Punjab has collaborated with WASA to devise a comprehensive plan that includes the installation of extra pumps. The implementation of these pumps is act of priority.

Through the combined efforts of CBD Punjab and WASA, both residents and commuters can have heightened confidence in the functionality and resilience of the drainage and dewatering system during the Monsoon season. This commitment to infrastructure enhancement reflects CBD Punjab's steadfast dedication to the well-being and safety of the public and the surrounding regions.

## **CELEBRATING INDEPENDENCE DAY WITH A GLEAM OF FREEDOM - CBD PUNJAB LIGHTS UP PUNJAB WITH NATIONAL SPIRIT**

Punjab Central Business District Development Authority (PCBDDA) is proudly embracing the patriotic spirit as it celebrates Pakistan's 76th Independence Day with unparalleled zeal. Under the directives of Chief Minister Punjab, Syed Mohsin Raza Naqvi, CBD Punjab embarked on an inspiring series of events to commemorate this historic occasion.

The festivities, running until August 14, 2023 (Pakistan Independence Day) were being carried out under the theme of 'CELEBRATING AZADI-E-TARAQI O KAMAAL.' This campaign aptly captures the essence of CBD Punjab's role in shaping a prosperous future and nurturing the spirit of freedom. As a beacon of progress, CBD Punjab stands committed to embracing boundless potential and fostering pathways to prosperity.

In a striking manifestation of this commitment, CBD Punjab has adorned the Kalma underpass & CBD Punjab Boulevard with a breathtaking display of green and white festive lights, elegantly adorned with the national flag. This symbolic gesture resonates with the unity and pride that define this historic occasion.

As the celebrations reach their crescendo, the citizens of Lahore were met with a mesmerizing firework display on the stroke of midnight, August 14, 2023, at the Kalma Chowk CBD Punjab project site. This awe-inspiring display promised a fitting tribute to the courage, sacrifices and unity that led to the birth of Pakistan. Moreover, a special cake-cutting and flag-hoisting ceremony took place at CBD Punjab House on August 14, 2023, signifying the jubilant culmination of these celebrations.

Imran Amin, CEO of CBD Punjab, expressed his enthusiasm, stating, "This year's celebrations are a testament to the relentless pursuit of progress and freedom. CBD Punjab remains dedicated to realizing the potential of a prosperous and united Pakistan."

The Punjab Central Business District Development Authority invited everyone to join in this momentous celebration of Pakistan's 76th Independence Day to witness the unity and resilience that has shaped the nation.

## IGNITING PATRIOTISM WITH FLAG HOISTING CEREMONY AT CBD PUNJAB'S INDEPENDENCE DAY CELEBRATIONS

CBD Punjab proudly celebrated Pakistan Independence Day under the visionary guidance of Chief Minister Punjab, Syed Mohsin Raza Naqvi. The commemorations were marked by a solemn flag-hoisting and cake-cutting ceremony held at the CBD Punjab House in Lahore.

This esteemed ceremony was graced by the presence of key dignitaries, including CEO CBD Punjab, Imran Amin, COO CBD Punjab, Brigadier (R) Mansoor Janjua, Chairman PCBDDA, Fazeel Asif Jah, Executive Director Commercial CBD Punjab, Mohammad Omer, Executive Director Finance, Syed Habban Subhani, ADG Housing LDA Captain (R) Shameer Iqbal, and senior management of CBD Punjab. The dedicated staff members of CBD Punjab also wholeheartedly participated in this patriotic celebration, underscoring their commitment to the progress and prosperity of Pakistan.

While expressing his views on the occasion CEO of CBD Punjab, Imran Amin, said, “The celebrations resonate with our collective pledge to uphold the values that led to Pakistan's creation. Through our various initiatives, we strive to infuse the spirit of Azadi-e-Taraqqi o Kamaal into our projects and activities.”

COO of CBD Punjab, Brigadier (R) Mansoor Janjua, stated, "On this momentous occasion, we reaffirm our dedication to the advancement of our beloved nation. The spirit of freedom and unity echoes through our endeavors as we continue to raise the flag of Pakistan high."

In line with the theme of 'CELEBRATING AZADI-E-TARAQI O KAMAAL,' CBD Punjab has orchestrated a series of festivities. These include captivating fireworks that left a massive crowd of the citizens of Lahore in awe, a flag hoisting ceremony at Liberty Roundabout in collaboration with the local government, and the illuminating of the Kalma Underpass CBD Punjab Boulevard. Kalma Underpass CBD Punjab Boulevard resounded with patriotic songs and spirited chants of "Pakistan Zindabad." These events serve as a vivid testament to the authority's unwavering commitment to celebrating the resolute legacy of Pakistan.

## **CBD PUNJAB ORGANIZED A PUBLIC HEARING FOR ENVIRONMENTAL APPROVAL OF WALTON ROAD UPGRADATION**

The Punjab Central Business District Development Authority (PCBDDA) has embarked on a significant initiative—the Walton Road upgradation project. In this regard, CBD Punjab conducted a public hearing session to deliberate on the project's environmental aspects and obtain the necessary environmental approval, thus demonstrating a commitment to transparency and soliciting valuable feedback.

The public hearing session was attended by representatives from the Technical Directorate of CBD Punjab, Environment Protection Agency Punjab (EPA), Walton Cantonment Board (WCB), local residents, and Walton Road community representatives. The technical team from CBD Punjab provided comprehensive insights into the project, underscoring its primary objective to address the longstanding sewage and drainage challenges faced by Walton Road.

The Walton Road upgradation project seeks to resolve these protracted issues related to the sewage and drainage system. CBD Punjab's plan includes the implementation of a dedicated sewage system, diverting it away from ADA Nullah, and establishing a separate sewage line from Walton Road to Hadyara Drain. ADA Nullah will be exclusively designated for rainwater management. Moreover, CBD Punjab will revamp Walton Road, integrating features such as protected U-turns, underpasses, and overhead bridges. The project also places a strong emphasis on creating green spaces and promoting tree plantations to enhance the environment. These enhancements are anticipated to result in a more uniform traffic flow, reduced congestion, and the mitigation of environmental hazards.

While talking on the occasion Brigadier (R) Mansoor Janjua, COO of CBD Punjab, said, "We are committed to resolving the longstanding issues faced by the residents of Walton Road. Through this upgradation project, CBD Punjab aims to create a modern and sustainable environment that prioritizes the well-being of the community."

Executive Director Technical CBD Punjab, Riaz Hussain, emphasized the authority's dedication to working diligently with all available resources to ensure the project's timely completion.

Residents of Walton Road voiced their concerns, citing recurrent flooding and the mixing of sewage water with drinking water during heavy rainfall, leading to severe health problems. They highlighted the damage caused to the surrounding areas due to overflowing sewage water. Once the ADA Nullah issue is resolved, it will be a blessing for the inhabitants of Walton Road. The project is expected to combat health and environmental issues while facilitating smoother traffic flow and reducing traffic congestion.

The residents living in the proximity of Walton Road have placed their complete trust in the authority's ability to address these persistent issues. CBD Punjab is fully committed to ensuring the successful completion of the Walton Road upgradation project, thereby ushering in a positive transformation and improved living conditions for the area's residents.

## **CBD PUNJAB EMPOWERS STAFF WITH FINANCIAL KNOW-HOW THROUGH TAX WORKSHOP**

In a proactive effort to foster financial literacy and enhance awareness regarding tax implications among its employees, the CBD Punjab Finance Directorate, organized a Tax Workshop at the CBD Punjab Complex. The primary aim of this workshop was to provide valuable insights into tax laws and the recent amendments introduced in the Finance Act of 2023.

The workshop covered a comprehensive spectrum of tax-related subjects, including income tax implications on various aspects such as salaries, commissions, property transactions, rentals, sales of goods and services, as well as an overview of General Sales Tax (GST) and Punjab Sales Tax (PST). This proactive initiative sought to empower participants with a solid understanding of taxation laws, enabling them to make informed financial decisions.

Syed Habban Subhani, the Executive Director Finance at CBD Punjab, shared his perspective, stating, "Financial awareness is fundamental for sustainable economic growth. Our workshop serves as a platform to empower individuals with knowledge about tax regulations, equipping them to navigate the financial landscape more effectively."

To ensure the delivery of accurate and up-to-date information, CBD Punjab invited distinguished tax experts to lead the workshop. Notable speakers included Talal Zahic from RSM Avais Hyder Liaquat Nauman Chartered Accountants. The session was attended by enthusiastic staff members of CBD Punjab, fostering an atmosphere of collaborative learning and knowledge exchange. The workshop concluded with a certificate distribution ceremony among the participants.

This event represents another significant step in PCBDDA's commitment to cultivating a conducive business ecosystem in Punjab. By hosting informative sessions like this tax workshop, CBD Punjab continues to play a pivotal role in ensuring that

stakeholders are well-prepared to navigate the intricacies of financial regulations within a rapidly evolving economic landscape.

## **CBD PUNJAB'S SUCCESSFUL DRAINAGE PIT TESTING SETS THE STAGE FOR WALTON ROAD UPGRADATION PROJECT**

CBD Punjab proudly announces the successful completion of drainage pit testing as a pivotal milestone in the Walton Road upgradation project. This achievement represents a substantial stride towards addressing the long-standing challenges associated with the drainage and sewerage system, notably concerning ADA Nullah.

In compliance with the directives of the then Prime Minister Pakistan, Mian Muhammad Shehbaz Sharif, and Chief Minister Punjab, Syed Mohsin Naqvi, CBD Punjab is poised to commence the Walton Road project upon the conclusion of the Monsoon season. The initiation of this project aims to bolster the road's infrastructure and enhance the overall urban landscape.

CEO of CBD Punjab, Imran Amin, expressed his enthusiasm about the project, stating, "We are delighted to announce the successful completion of drainage pit testing, a pivotal phase of the Walton Road upgradation project. This development underscores our unwavering commitment to addressing the pressing issues faced by the community."

In alignment with the authority's core values of transparency and environmental responsibility, CBD Punjab conducted a public hearing to obtain environmental approval. This step

signifies the dedication to actively engage with the community and ensure sustainable development practices.

The Walton Road upgradation project is poised to usher in positive transformations, offering improved drainage and sewerage systems, enhancing road infrastructure, and elevating the living standards of the local residents. CBD Punjab remains steadfastly devoted to its mission and continues to make significant contributions to the growth and prosperity of Punjab.

## **CBD PUNJAB JOINS THE FIGHT AGAINST DENGUE BY RAISING AWARENESS**

CBD Punjab is dedicated to the well-being of the people of Punjab. CBD Punjab observed July 15, 2023, as "Dengue Day" in alignment with the directives of the Government of Punjab. This initiative aimed to raise awareness about dengue fever, including its symptoms, available treatments, and the necessary safety precautions to prevent its spread.

Dengue fever is a significant public health concern, and CBD Punjab is committed to actively contributing to its mitigation by disseminating awareness through its communication platforms. By observing Dengue Day, CBD Punjab strives to educate and empower the public with knowledge to protect themselves and their communities.

In support of this cause, CBD Punjab organized a Dengue Awareness Walk that brought together directorate heads and staff members of CBD Punjab. This walk served as a tangible

demonstration of CBD Punjab's dedication to community engagement in the battle against this disease.

Brigadier (R) Mansoor Janjua, COO of CBD Punjab, shared his thoughts on the occasion, stating, "The health and well-being of the people of Punjab are of paramount importance to CBD Punjab. By observing Dengue Day and participating in the Dengue Awareness Walk, we aim to empower individuals with the knowledge and resources needed to protect themselves and their loved ones from dengue fever. Together, we can create a safer and healthier Punjab."

CBD Punjab remains steadfast in its mission of fostering sustainable development and prioritizing the welfare of the people it serves. Initiatives like Dengue Day exemplify CBD Punjab's commitment to creating a safer and healthier environment for all residents of Punjab.
